Auctioneers Note: H&M Auction Services is humbled and honored to conduct the sale of the private firearm collection of Jerry Adamski. Jerry was a lifelong, respected member of the Randall community who was always willing to help people who were down on their luck. He was an active member in many hunting organizations and won some of the firearms at their fundraiser benefits, most of which were never fired. Due to the large quantity of firearms being stored in a secured vault in a separate location there will be absolutely NO VIEWING available prior to the sale. To purchase handguns, buyers will need to show their valid permit to purchase and their drivers license. No possession of any firearms will take place until permit to purchase is verified and firearm is paid for in full. The order of the sale will be the firearms as numbered on this bill, followed by ammunition and hunting accessories. We will be following the State of MN COVID-19 guidelines.
