Auctioneers Note: H&M Auction Services is very honored to once again be chosen to conduct the Estate Sale of Annie Adamski. Annie and Jerry were married for 42 years and after Jerry's passing, it is time to liquidate some of their assets. They are both life-long members around the Randall Community. They loved camping, canning, and doing their own meat processing. They took excellent care of all of their possessions. Please plan on spending the day with us while we sell these exceptional treasures.
